TAKE HOME THE TEAM TROPHY

Grab your friends, co-workers, and family members and get them to run/walk with you! There's no better way to show the world just how much you're invested in bringing clean water to people around the world! And guess what? There's no limit on team size!

Just grab your group, pick a team name, then come together on the race day to finish the course together!

There's also some bragging rights in the mix here. Which ever team fundraises the most money by the time of registration on race day will be commemorated on the UWP 5k Trophy, handcrafted by Ugandan artisan Collins Alinaitwe! We'll even let you take it back to your home/church/business and keep it on display until next year's race!

Any sponsored runner on a team will also be considered for individual prizes!
