

PROGRAM INTERN

Description:

As the Program Intern, you'll work directly with our Program Coordinator and have opportunities to connect with several members of the team, including our Program Director. This position consists of conducting a literature review on research questions of importance to UWP and summarizing your findings in an annotated bibliography. Your literature review will produce evidence that will inform program implementation and support fundraising efforts.

Responsibilities:

- Identify academic and gray literature relevant to your research question
- Review the literature and extract key facts, findings, and insights
- Summarize your findings in an annotated bibliography
- Present your findings to UWP's Program Coordinator

Qualifications:

- Comfort reviewing academic literature
- Curious mind adept at fact-finding
- Excellent written communication skills
- Strong organizational and attention to detail
- Comfort working independently
- Access to academic literature databases (preferred)

Time Commitment:

- 10-15 hrs/week

Location:

- UWP Office in Lima, NY
- Hybrid
- Remote

To apply, please submit a resume and cover letter to the Ugandan Water Project's Program Coordinator, Abby Ruth, at abby@ugandanwaterproject.com. Applications are accepted on a rolling basis.
