

UGANDAN WATER PROJECT

EVENT SPONSOR

**LEVELS & PERKS
2025**

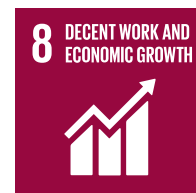

At the Ugandan Water Project, our events are more than just gatherings—they're opportunities to create lasting change. From our annual 5K in April and our golf tournament in July to our fundraising concert in December, each event invites your company to play a pivotal role in transforming thousands of lives.

Our work aligns with many of the United Nations' broader sustainable development goals. By sponsoring these events, you'll join us in advancing global priorities like clean water access, education, and health while showcasing your leadership and gaining visibility for your brand.

Without sponsors like you, our ability to drive our mission forward could be limited. Your support allows us to expand our reach and impact, helping us create sustainable change in Uganda.

Turn the page to explore sponsorship levels and perks that align with your goals. Together, we can solve Uganda's water crisis and make the world a better place for current and future generations.
